Daniella Sparta Presents a

Street-Front Noranda Living with a Secluded Park Next Door!
A generous front patio made for entertaining, a quiet park next door and two separate living zones make this freshly painted street-front home a standout in one of Noranda's most sought-after pockets.
Host a long lunch under the expansive front patio or enjoy a quiet coffee in the low-maintenance rear courtyard, which has a covered patio of its own. The fenced front yard also has an additional area that could be gated off to create a separate outdoor space. Next door, a secluded neighbourhood park tucked away from the busier streets gives the home a leafy outlook and adds to the sense of space.
