\$320,000 - \$345,000

Property Outline

A Truly Distinctive Façade sets the tone for what lies inside, thoughtfully designed and truly livable residences.

A full sized kitchen, large open plan living spaces, with ceiling to floor glass windows create a naturally light filled home, the bedrooms feature generous built-in robes, with an material palate of exposed concrete and timber floorboards, all complemented by balconies.

While you enjoy all the benefits of your inner-city location, you're just a stone throw away from the lively Footscray markets one of the citys most popular markets as well as Footscray major retail center for a range of services and community facilities.
