### Property Outline

---

Original, light and bright, this 4 bedroom townhouse in the heart of South Kingsville blends contemporary cues and al fresco flair to form a residence of unparalleled aesthetics. The ground floor is an entertainer's paradise with magnificent open plan family/living room and meals area of tremendous scope and style.

Wooden floorboards, a modern colour palette, and timber-framed windows spiralling in masses of natural light provide a fresh, fun ambience, while the enormous chef's kitchen with large pantry, twin SS sink, dishwasher, and heaps of bench and cupboard space is the perfect setting for your greatest gastronomical creations.

Wooden staircase leads upstairs to three bedrooms, two with BIRs, the main with walk-in robe,
