WHAT A BEAUTY

OVERLOOKING PARKLAND out the back. Lovely two bedroom home on a big block with only one neighbour. Super convenient spot where a walk to Woolies and Centrepont is a breeze. This is a beautifully strong timber home with good pedigree and loads of potential too. The bedrooms are good size and the kitchen has a modern touch, as does the bathroom. The interior is sufficiently open to let the breezes through. Down the back is a superlatively good enclosed area. This is a very big space which provides a car space and tons of room for enjoyment and entertaining. This area is beautifully well ventilated and truly does extend the living space and the livability of the home. The back garden merges into the parkland which stretches across to Mullers Lagoon with all its floral and avian beauty. This one is affordable. This one is very solid. This one is ready to be
