A WALK IN THE PARK...

...is not far away. This home is in a great location, across the road from a 5-acre council park. Here you will discover a home that has been carefully and lovingly transformed, everything that was old is new again. There are 3 bedrooms plus a sleep-out and housework is a breeze with easy care floors throughout. The beautiful kitchen has a gas cooktop and a dishwasher. The bathroom has an easy access shower. For your peace of mind the home is security screened and for the handyman there is a workshop at the rear of the lock-up garage. Children can play safely in the fenced 1,000m² allotment.
