ELEVATED ELEGANCE

A natural beauty positioned amongst a sublime, leafy setting on top of an elevated hill that shines over the Lakes Estate. Bordering the Quarry Reserve, visits from the local wildlife are a frequent event in this household. Kangaroos, Kookaburras, birds... They all create the sound and sights of an environment that anyone would be happy to live amongst.

Known as "The Mansion on The Hill" by the owner's grandchildren, the home does have a grand impression which only means that there are grand proportions inside too. And that there is; five generous bedrooms which all have robe storage, ensuite and family bathrooms, as well as a rumpus room, family room and a large open plan kitchen and dining area that provide all the space necessary for flexible and extensive family living.
