Top location with panoramic views

A truly Australian rustic residence that is operating as a bed and breakfast with amazing Gold Coast views. However, it would make an outstanding family home with additional accommodation when needed.

The main residence is separated from the four cottage style rooms all with ensuites which are interconnected with a covered walkway through the immaculately presented gardens.

This well maintained classical Tamborine Mountain property has been built with extensive use of recycled hardwood timbers from the demolished Wollomombi River Bridge near Armidale, NSW.

Main Residence:

- Large guests lounge with stone fireplace
