### 4BR Home on 405m2

This property is walking distance to all facilities including shops, schools, public transport and medical facilities.

The large high set four bedroom home with internal stairs has the dining area and separate lounge upstairs, and downstairs is a large rumpus room and lock up garage.

The front entrance and patio overlook the well established front yard, and the rear yard is fully fenced.

This property requires some T.L.C. and the astute buyer can make it into a terrific family home or investment property.
