Nature lovers' paradise

It is with great reluctance that the owners are offering this truly unique property which provides the ultimate Mountain hideaway to the market. It is ideally suited to a couple or a weekend retreat away from the maddening crowds. Only an inspection will reveal the feeling of peace, tranquility and privacy offered at this address. Surrounded by your own rainforest with the added bonus of not only the valley, but Coastal views make this an irreplaceable piece of real estate which is sure to impress. Although only 17 years old, the owners decided to renovate from top to toe. Not a thing has been left incomplete or undone. Spend your days sitting on one of the 2 balconies enjoying the abundant bird and wildlife and bask in the serenity.
