### Well Located Gated Villa

You will love the location of this beautifully presented 3 bedroom villa located only a short stroll from the center of town. The complex is secure with front gate operated by remote control and comes with its own under cover park and easy access to the front door. The inside of the unit has had the kitchen renovated and the upright oven is brand new. The living/meals area boasts racked ceilings, comes with reverse cycle air conditioning and has easy access to the courtyard.

The bedrooms are decent in size and the master bedroom comes with a ceiling fan and access to the back yard.

The bathroom has a new vanity and bath/shower combination.

All in all this is a very popular complex and can't see it staying vacant for to long, so book your appointment today. Pets not suitable.
