Contemporary Mountain Retreat

Some homes have a way of instantly embracing you with their warmth from the moment you step inside. That's what awaits with this rustic mountain retreat in beautiful Lower Beechmont, brimming with character and charm. Nestled amongst a thriving canopy of greenery and backing onto a lush rainforest, here you'll feel at one with nature. Sit back on the north-east facing deck and savour the serenity or host guests in this spacious setting. Fringed with water-proof blinds, it's an alfresco paradise you'll enjoy whatever the weather.

Indoors is awash with warm wooden tones and ample natural light. Hardwood floors glisten throughout while sunshine spills in from the picture windows which line the double-height walls. As well, make the most of the open
