Magnificent 5 acres in the Hinterland

Imagine your home holding pride of place in this landscape, with a mature Moreton Bay Fig tree as the backdrop. If that is your dream, then don't miss this opportunity. The building envelope provides you with a North-East aspect, beautiful views over the surrounding countryside, with no through traffic to disturb your peace and privacy.

The potable bore will provide you with unlimited pristine water – no more water rates or rainwater shortages. And the fertile red soil will allow you to grow anything your heart desires. This unique site already has wind and privacy breaks growing, which you can enhance with your own landscape options.
