Prime acreage - How good is this!

If you're looking to escape the hustle and bustle and get away from it all... here it is. An opportunity for astute buyers to acquire 5 prime acres, with a good wide street frontage. One of the last remaining vacant 5-acre properties on the Mountain, in a quiet, cul-de-sac surrounded by other quality acreage properties. Rich fertile soil, flat and usable with income producing avocado trees, and an abundance of water. The property offers many opportunities as there is plenty of room for the horses, orchards, or more avos !

A great stepping-stone for that rural lifestyle change to escape the city, to create your own private sanctuary, yet just minutes to the village centre.
