Where Serenity and Lifestyle Effortlessly Converge

If you've been dreaming of an escape from the hustle and bustle, longing for a simpler life, or you just love the idea of seeming a million miles away from everything, this home is for you. Located in a quiet cul-de-sac, you'll be blessed with a magical feeling of seclusion, with nothing but the sights and sounds of nature to infiltrate your senses across this 1,474m² block.

The home sits amid beautifully lush yet remarkably low-maintenance gardens and offers plenty of opportunities for thriving vegetable gardens to start you off on the path to semi-sustainability. Its recently updated interiors are bright and airy, with tranquil views of the leafy surrounds available from virtually every room. Perhaps your favourite place to dwell will be the sun-drenched deck
