Build your dream - 1 acre in the middle of town -

It is with great reluctance that this block of land in a prime location is being placed on the market after almost 70 years of ownership.

Ideally located, only 750 meters from all the shops, cafe's and restaurants on "Gallery Walk".

The land is sloping therefore ideally suited to a pole home or split- level construction, access may be a challenge, but this is a beautiful block in a prime location.

Only 1.27 kilometers from the local primary school and 1.77 kilometers from the State High School makes this the perfect choice to build your new home on beautiful Tamborine Mountain.

Make your dreams a reality, phone Diane or Michael to view today.
