

For Lease

Well-Presented Home with Solar, Carport & Sheds

Available: Start of October

This comfortable and well-presented three-bedroom home offers a practical layout with plenty of features for everyday living. The home includes one bathroom and is equipped with both combustion heating and a reverse-cycle split-system air conditioner, providing heating and cooling options throughout the year. Solar electricity panels help improve energy efficiency and may assist with reducing ongoing electricity costs.

Outside, the property provides convenient undercover parking with a single carport featuring a roller door, along with excellent storage options including a larger shed and an additional smaller garden shed. Recently painted throughout and complemented by new flooring, the
