Mountain moods and views

Splendid, sweeping views taking in the valley and Mountain Ranges through to Mount Warning – this outlook has many moods, from cloudscapes to superb sunsets. This light, airy Tri-level home with vaulted ceilings was built to take advantage of this distinctive mountain panorama. If this home had a style, it would be 'smart casual' – the relaxed, friendly home has V.J. walls and ceilings.

And seasonal extras, in-ground salt-water swimming pool for summer and cosy slow-combustion fire for the cool winter months. Exterior/interior has been freshly painted.

HOUSE LEVEL ENTRY:
