10 000 acres of Cattle Feed - Destocked for 12 Months

Desmond Station Collinsville goes to Auction on Thursday 2nd September 2021, 11am at the Opal Ridge Motel, Stanley Street Collinsville.
This 4,051 ha (10,010 acres) of freehold country is located 36 kms north of Collinsville and 112 kms southwest of Bowen.
Desmond has been destocked since September 2020, and currently has a good body of quality cattle feed.
With undulating country rising to hills and running off onto flat arable black soil and grey loam flats that is surrounded by higher accessible country and ridges. Predominately black, brown, and grey loams with scattered areas of red sandy soils on the northern boundary and waterways.
The timbers on the property consist of Narrow Leaf Ironbark, Bloodwood and Gum with a very small presence of Quinine, Currant Bush and Wattles. The timbered country
