53,127 Ac of Exceptionally Well Grassed Cattle Country

Timely opportunity to acquire 53,127 acres (approx.) of breeding country with a grow out capacity in North QLD approx. 3 hours SSW of Charters Towers as the property is being sold for succession planning purposes.
Mixture of pulled country and scrub / forest grazing all exceptionally well grassed. Ideally located with good access to Townsville and South to processors and feedlots and within range to Mackay to the East.
Comprises a mix of country ranging from Carmichael Creek, Brothers and Dingo Creek frontage country, blending into mixed scrub and softer desert areas. The NE sector comprises mixed soft to fair desert country leading back to inferior jump ups and tableland areas on the Eastern or Moray Downs boundary.
Grass populations consist mainly of Black Spear, Forest Mitchell, Urachloa and extremely strong Seca and Buffel on
