SILKWOOD STATION OVERVIEW

SILKWOOD STATION
• 430.78Ha (1064 acres) approx.
• Situated approx. 30 minutes inland from Innisfail, 25 minutes from Mission Beach and a little under 2 hours from Cairns and its International airport.
• Drought free costal fattening and grazing country.
• Comprises 4 adjoining farms, two homesteads, excellent shedding, two sets of yards, good fencing and access.
• Populated with a wide range of improved pasture grasses and legumes.
• Fencing is good to excellent with some brand-new fences installed with a small area of the property having a natural barrier with adjoining National Park.
• No issues with water/irrigation as it's located in an area that receives high coastally influenced rainfall with most paddocks having access to natural water
