Comfort, Privacy & Efficiency – All in One

This beautifully appointed home combines comfort, efficiency and privacy in one impressive package. Energy efficiency is front and centre, with a 7.56kW solar system paired with an 8.5kW inverter set to significantly reduce power costs, complemented by a Daikin ducted, zoned reverse cycle air conditioning system for year-round climate control. A whole-of-house 3-stage water filtration system ensures clean water throughout, while a dedicated water tank servicing the laundry and toilets helps keep water rates down.

Inside, the home has been freshly refreshed with new carpet in the lounge room and a full repaint throughout the living areas, creating a bright, move-in-ready feel. The bedrooms are generously sized, with built-in robes to
