Mutchilba Orchard Operation - Atherton Tablelands

The Vendors have made the hard decision to sell this smaller sized horticultural farm with all the features necessary for an existing family operation to expand, for new entrants into the industry, or for a savvy investor looking to be part of the dynamic Australian agribusiness sector.
Ideally located close to Mutchilba and with surplus country prepared for further plantings and including Trellises suited to Passionfruit this represents an affordable opportunity in one of the food bowl regions of the world.
•Centrally located in the world-renowned Atherton Tablelands horticultural region.
•36.52 Ha prime farming land with 127 meg Water Licence.
•Level Northerly aspect with room for further planting.
•Approx. 2800 Shephard Avo's and 900 Lime trees.
