Individual, architect designed home...

This quality, architect designed home is constructed of rammed earth and hardwood timbers - giving excellent thermal control and a welcoming ambiance. Rammed earth is also known as Pisé (abbreviated from the French Pisé de terre)-walls of earth are as strong as stone. Situated in a quiet cul-de-sac, this private home nestles into a mature garden, giving protection from the Westerly winds (Ekka winds) in August. It is an hour from Brisbane and forty-five minutes to our renowned Gold Coast beaches.

Warm, polished hardwood floors and higher than usual ceilings throughout the home, from the entry, easy-walk stairs take one down to the study and pisé gallery-hallway hung with unusual timber picture rails. Continue
