Anvil

454.64 Ac or 183.99 Ha
This is an opportunity to obtain large acreage of prime coastal grazing land with Tully River frontage, approximately 7 km from Euramo and 16 km to Tully. Improved pastures exist throughout the property consisting predominantly of Humidicola, Seteria, Hamil and Para grasses. Consistent high weight gains are being achieved with minimal costs. The property is divided into 3 main paddocks, 1 holding paddock and a laneway to cattle yards.
Property features and infrastructure:
•Fully equipped cattle yards of steel construction
•7 troughs in addition to permanent water sources
•Equipped bore with solar pump and tanks connecting to troughs
• Several permanent water sources
•Molasses tank

FOR SALE - $3,300,000
