Perched high with spectacular northern views

Out of the blue comes this rare opportunity to purchase a home fresh to the market, Ocean Circle is arguably Yeppoon's best street. Set just over the road from the beach and within a short stroll to the township of Yeppoon, you will find this great family home with plenty of features.

For those with a renovation eye, this property holds huge potential and is being sold in its original state, and if updated will compete with the other executive-style homes that surround it.

Queensland beach lifestyle - you can sit back, relax, and completely enjoy the stunning views of the coastline and water views that span out to the Keppel Islands whilst you entertain on the large upstairs wraparound terrace.
