Fresh Paint. Fresh Air. Fresh Start.

Tucked away in the heart of Powelltown on a quiet no-through road, this beautifully refreshed home offers the kind of space and serenity that's getting harder to find. Surrounded by towering Mountain Ash forest and a tight knit country community, this is where you slow down and breathe properly again.

Set on a corner block, the home has been freshly painted throughout, giving it a clean, light, and move-in ready feel. Inside you'll find open plan living and dining flowing out to the yard, a separate country style kitchen with hardwood floors, two bedrooms, one bathroom, and split system heating and cooling for year round comfort. Outside delivers exactly what buyers in Powelltown want, a secure and well fenced yard, excellent storage
