Rare Vacant Block in The Zone - Permit and Plans

A rare Carnegie land opportunity with a full set of plans and permits for an outstanding, statement family home. Vacant blocks are increasingly hard to find, especially in a tightly held pocket that is double-zoned for some of the top non-selective schools in Victoria - McKinnon Primary and McKinnon Secondary College (STCA).

With permits in place and approved plans for a 4-bedroom plus study, double-storey residence, this is a clean slate without the usual uncertainty and waiting. The proposed home delivers scale and family function, featuring:

▣ Approx. 439m² of generous, open-living space (as per plans)

▣ Secure front fence with automatic gate
