Space, Style and the Perfect Indoor-Outdoor Flow

Set in the tightly held and family-friendly Bellevue Hill Estate, this warm and wonderfully functional residence delivers space, flow and everyday comfort in all the right places. It's a home designed for real living - where people gather, kids grow, and memories settle in naturally. Everything centres around the hero of the home: the expansive, well-appointed kitchen. It's the kind of kitchen that naturally becomes a meeting point - big enough for family cooking, casual chats over coffee, guests leaning against the bench during dinner parties, and long afternoons that roll seamlessly into evenings. With modern appliances, smart layout and direct connectivity to the living and outdoor entertaining zones, it becomes the beating heart of the entire house.
