Elegance & Luxury Nestled in the Byford Hills

Tucked away in a quiet cul-de-sac within the sought-after Brook Estate, 1 Colby Mews, Byford is a statement home in every sense of the word. Presented like new and set on an exceptionally rare 745sqm block, this is a residence where scale, style and attention to detail come together to create something genuinely special. Homes of this calibre, on blocks of this size, are almost unheard of in today's market - making this an opportunity that stands well above the rest.

From the street, the home immediately commands attention. A striking blend of face brick, texture-coated render and wood-look batten detailing creates a modern façade with serious presence. Both the front and rear gardens are immaculate, offering a sense of openness
