## Rare Opportunity!

Welcome to a rare blend of timeless character and modern opportunity - a beautifully restored 1920s residence set on an expansive 2,230sqm parcel of land. Behind the classic façade, this home has been completely gutted and renovated from the ground up, offering the perfect blank canvas for its next owner. All internal linings have been removed and replaced, with new gyprock yet keeping the character of the home. Creating endless possibilities to design and customise the interiors exactly to your taste and lifestyle. What's already been done is the hard part - structural restoration, major renovation works, and revitalisation of the original home - while still preserving the charm and craftsmanship that make 1920s properties so sought
