Rare Coastal Views Without The Million Dollar Price Tag

Finding ocean and city views at an affordable price point is becoming increasingly rare in today's Geraldton market, making 10 Boronia Avenue an opportunity buyers will not want to miss.

Positioned in an elevated location just minutes from the Geraldton CBD, beaches, schools and shopping, this home offers the lifestyle many buyers chase without the premium price tag often attached to coastal outlooks. Whether you're looking to secure your first home, add to your investment portfolio or lock away a property in a tightly held location, the potential here is undeniable. Inside, the home offers generous living spaces, large bedrooms and plenty of functionality, while outside the enclosed patio perfectly captures the sweeping ocean
