PRESTIGE OVER '50s LIVING - THE BEST POSITION IN

Enormous Pet Friendly Backyard | One of the Largest Floorplans | Premium Upgrades | Gumtree Views
A rare opportunity now exists to secure one of the most desirable homes in the exclusive Vantage Green Logan Village—a near new, impeccably maintained residence offering one of the largest floorplans in the entire village, paired with one of only 10 oversized backyards (7m longer) valued at over \$30,000. This is downsizing without compromise.

Positioned in the premium rear section of the community, the home enjoys no rear neighbours, instead overlooking tranquil acreage, mature gum trees, and daily birdlife. The peaceful ambience of horses grazing in the distance creates a lifestyle that feels private, natural, and deeply
