Neat As!!

In my almost 9 years of real estate, I have never started an advert and referenced the carport Until now. 12 Hibiscus Drive doesn't just have a carport; it's a work of art where you can fit up to 6 cars and still open car doors as it's just so wide! If you don't own 6 cars it's ok, you can use the extra space for a pool table, storage, work area, gym etc, it's so versatile.

The home itself is super neat and move in ready! The kitchen has received an upgrade and opens up to the main living area plus the alfresco, all bedrooms have built in robes, the bathroom has also received an upgrade which comes with a double vanity and floor to ceiling tiles. There are roller shutters to the bedrooms and main living area plus ducted evaporative a/c and 3 x split
