Island Weekender with potential!

This 546m² block is partly fenced and already a pretty good set up for a weekender, or stay in while you build your new home. It has 2 insulated 20 foot containers, 1 has a 3 person coal sauna, vanity and shower. The 2nd container has a living area with ample room for table and chairs and lounges. A 3rd container is included, good for storage. 3 phase power connected to the property and runs on tank water.

Located about half way up the island, close to Wahine Boat ramp, and a 5 minute drive to the stunning "Sandy Beach". There are quite a few council blocks along the street, so it won't ever be built out.
