A Statement Of Fine Living

Architecturally designed with a strong focus on solar passive principles, this high-end luxury residence combines contemporary comfort with exceptional energy efficiency. The striking skillion roofline peaks above the central kitchen, capturing an abundance of natural light and enhancing the spacious open plan living areas. Double glazed bi-fold doors seamlessly connect the indoors to an expansive timber decked entertaining patio, creating the ultimate year-round entertaining space. Complete with patio heating, ceiling fan, side-by-side bar fridges and integrated speaker system, the patio is further enclosed with café blinds including a centrally positioned remote-controlled blind for added convenience and weather protection.
