Central Country Charm

Located in the township of Tintinara, close to transport, shops, the freeway, and sporting facilities, this well-established brick veneer home offers comfortable family living in a welcoming country community.

Built in 2005, the home features four bedrooms, including a main bedroom with ensuite, while bedrooms two and three include built-in robes. The light-filled open plan kitchen, dining, and living area creates a warm and inviting central space for everyday living and entertaining. A two-way bathroom, two toilets, and split-system heating and cooling provide added convenience and comfort throughout the seasons. Solar power helps reduce ongoing running costs, and a double carport under the main roof completes the practical layout.
