Rare 1,381m² River Precinct Block Ready to Go!

Large river precinct landholdings like this are becoming increasingly difficult to secure – particularly in quiet, tightly held pockets like Ashfield.

Positioned only moments from the Swan River, this substantial 1,381m² block presents a rare opportunity to create something truly special.

With generous proportions, a wide frontage and flexible zoning, this is a site where lifestyle, scale and future potential come together.

Build your dream home, explore development potential or secure a large landholding in one of the area's most tightly held pockets!
