Act Now First home buyer opportunity. Boutique top-

Perfect opportunity to get your foot in the door of home ownership – Positioned on the top floor of a small boutique complex, this solid 2-bedroom apartment offers a great opportunity for first-home buyers wanting something comfortable, practical, and move-in ready without paying a premium for somebody else's renovation choices.

The apartment has a classic, well-kept feel throughout, with plenty of natural light and good breezes flowing through the living spaces. Both bedrooms are well-sized, the layout is functional, and the lock-up garage is a genuine bonus in this location.

Why we think that may love it:
