Walk to shops, train and schools in cul-de-sac

Featuring four bedrooms, two bathrooms and two separate living areas, this thoughtfully designed home offers the perfect blend of comfort, functionality and family living.

As you step through the light-filled entrance hallway, you'll find the first of the minor bedrooms privately positioned at the front of the home, complete with a mirrored built-in robe. Next there is a spacious separate lounge, providing a peaceful retreat away from the main living area.

A second hallway leads to the remaining two minor bedrooms, both fitted with built-in robes, along with the family bathroom. This well-considered layout creates excellent separation between the living and sleeping
