A Full Hectare with Indian Ocean Sunsets

A full hectare-plus block where the sun sets over the Indian Ocean at the end of every day – 95 Stirling Place is a rare chance to claim real space on Geraldton's coastal fringe. It's a blank canvas, ready for you to design and build exactly the home you've been picturing.

At over 1 hectare, there's room for all of it: the dream home, a large shed, a pool, even a granny flat (subject to the relevant approvals). Your imagination is the only real limit.

Set in a quiet, tucked-away neighbourhood yet only minutes from local amenities, it suits families wanting room to grow, retirees after a peaceful base, or anyone ready to leave the city pace behind without giving up convenience.
