Not perfect, Not pretending to be, but sooo FULL of

Every great transformation starts with a vision, and 17 Nuytsia Place is ready for its next chapter!

Tucked away in a quiet street of West Greenwood on a generous 683sqm block, this much loved 1970s home is bursting with opportunity for renovators, investors, house flippers and dream home creators alike. Whether you're ready to roll up your sleeves and restore its vintage charm, undertake a substantial renovation, or start fresh and build something entirely new (subject to planning approvals), the foundations for an exciting project are already here.

Behind the front door you'll find a home that's been cherished over the years, with plenty of character (the bar is my favourite), original features and stories etched
