The Beach Shack Dream

There is something special about a home that has never before been offered to the market. Built in 1976 as a much-loved family holiday retreat and held by the same family ever since, this is one of those rare opportunities that seldom comes along in Narrawallee.

Positioned on a level 594sqm block with a generous 15.2-metre street frontage in a whisper quiet, tightly held residential street. The home enjoys an enviable location just 150 metres from Narrawallee Beach and only 250 metres from the tranquil waters of Narrawallee Inlet and boat ramp. Generations have enjoyed summers here, with morning swims, afternoons on the beach and evenings spent listening to the ocean. Now it's ready for a new family to create memories of their own.
