A Well-Positioned Block of Land - Ready to Build on

This 401sqm titled, survey-strata block is ready to go, with services available for your own connections. Now is your opportunity to build the home you've always wanted and set it up just the way it suits your lifestyle (subject to local Shire approvals, of course).

Whether you're looking for a low-maintenance lock-and-leave property for grey nomads, FIFO workers, busy professionals, or simply want an easy-care home with minimal upkeep, this block offers plenty of flexibility.

The best part? You get to choose your own builder and design your home your way. If you'd like some ideas or recommendations on builders or home designs, just ask - I'm more than happy to point you in the right direction.
