Charming Cottage Living

There's something special about a home that simply feels welcoming... where the front porch invites you to slow down, the timber floors tell a story, and every room feels ready for new memories to be made.

Tucked behind a charming white picket fence on the sought-after town side of Bassendean, this delightful weatherboard cottage is filled with warmth, character and the kind of homely charm that's becoming increasingly hard to find.

Whether you're enjoying a quiet morning coffee on the porch, cooking for family and friends, or relaxing under the festoon lights on a warm summer evening, this is a home that encourages you to simply settle in and enjoy life.
