Architecturally Designed. Effortlessly Cool.

There's something special about a home that simply feels different...

Perched on the corner on entry into a peaceful cul-de-sac, this stunning two storey architect designed residence delivers the kind of contemporary style you'd expect to find along Perth's iconic coastline, yet it's tucked away in one of West Greenwood's most sought after pockets.

Designed by renowned Perth architect Daniel Patterson (ARCFORMS) and completed in late 2021, every space has been thoughtfully crafted to embrace natural light, soaring views and seamless indoor-outdoor living. Clean lines, premium finishes and an industrial-inspired palette combine to create a home that's as functional as it is
