"Tambar Ridge" - Your Own Private Bush Retreat with Lifestyle, Views & Future

Escape to the tranquility of Tambar Ridge, a lifestyle property offering the perfect balance of seclusion, adventure, and accessibility. Comprising approximately 245 hectares (605 acres) of predominantly untouched native bushland, this unique holding is located on the western edge of Tambar Springs, just minutes from the village centre and the iconic Tambar Springs Hotel.
Significant improvements have already been completed, including roadworks to an elevated building pad designed to capture the stunning outlook across the Liverpool Plains, with a Development Application underway for a three-bedroom dwelling. Water is supplied from the village water scheme via storage tanks (2 x 22.5KL Polytanks) and a solar -powered transfer system, while some new all-steel fencing has been started.
Adding further appeal, preliminary biodiversity
