Caravan, boat, trailer, vehicle storage

Landscaping or gardening equipment

Once operating as a local service station, this unique property occupies approximately 1,492m² of land and still retains the original former service station building – now ready for someone with vision to breathe some new life into it.

With no residence on the property, this isn't your typical rural lease.

Instead, it presents an unusual opportunity for anyone searching for extra land, secure storage space, a base for equipment or simply somewhere to pursue a rural or hobby interest.
