Peaceful Secluded Retreat

The sleek industrial look build of this trending designer home harmonises perfectly with the surrounding 5.2 hectare property balanced on the edge of Pink Lake. Your approach to the home is framed by a trail of Tasmanian Bluegum trees and widens to a clearing where this solar passive designed home, with an energy rating of 6.9, blends into the backdrop of natural vegetation.

From the moment you step inside the home, your attention is drawn to the lofty beamed, timber lined ceilings and polished concrete flooring which flow effortlessly throughout. Strategically placed windows capture natural light allowing for the low positioning of the sun during winter while providing protection from the
