Architecturally Designed & Full of Character in Central

Designed by renowned Hilliam Architects, this beautifully presented one-bedroom apartment is anything but ordinary.

Light-filled and exceptionally homely, this is an apartment with genuine personality – the kind of warmth, character and thoughtful design that can be hard to find in modern apartment living.

Cleverly designed to make the most of every square metre, the home offers a wonderful balance of openness, separation and privacy. Distinctive round windows with custom shutters, considered finishes and abundant natural light create a unique sense of character, while the generous balcony provides an inviting extension of the living space.
