Quiet Close, Family Comfort and a Big Alfresco

Set in a quiet close where the homes are established and the streetscape is tidy, this 3-bedroom brick home on 509m² delivers the layout families keep asking for and rarely find ready to move into.

The floorplan separates rest from noise. A carpeted front lounge sits on its own, lined with tall windows, well away from the main living zone. Through the entry, timber-look flooring runs into the open kitchen, family and meals area, with a study nook off the hallway. The kitchen is the workhorse it should be, with a wide benchtop wrapping into a breakfast bar, a gas cooktop, an under-bench oven, a dishwasher, and deep drawers, with a full-size laundry right beside it.

The main bedroom takes the front corner with a ceiling
